Specific Terms of Participation 2024

Event-specific additions to General Terms of Participation (ATB) and Technical Regulations (TR) of Hamburg Messe and Congress GmbH (HMC)

Cancellation of stand: (see clause 8.2. ATB)	Free-of-charge cancellation is possible within the period specified in the placement proposal, or until acceptance without placement proposal. In the event of cancellation after acceptance, clause 8 ATB shall be applicable.
Cost element clause:	HMC may, at its reasonably exercised discretion, adjust the prices subject to this contract (pursuant to German Civil Code (BGB), Section 315) to reflect the development of costs relevant for price calculation. A price increase may be considered, and prices shall be lowered as appropriate, for example, in response to higher or lower costs incurred for the procurement of energy, or as warranted otherwise by changes of the cost situation due to new legal conditions affecting the event hereunder (such as a higher legal minimum wage). In the event of cost increases of a particular cost type, such as electricity costs, the prices charged by HMC may only be raised to the extent that the cost increase is not offset by decreasing costs in other areas, such as sales. If any costs, such as electricity costs, are lowered, HMC must lower its prices accordingly unless the lower costs are partially or entirely offset by higher costs in other areas. In exercising its reasonable discretion, HMC will choose the timing of any price change to avoid accounting for cost reductions in a manner that will put the Exhibitor at a disadvantage relative to cost increases, in other words, HMC will make sure that cost reductions will be reflected in its prices to the same extent as cost increases.
Reductions in size of stand space:	The stand space specified in the acceptance is binding. After acceptance, any reductions in stand space requested by the exhibitor are possible only in consultation with HMC, and do not lead to reduction in stand rent. If HMC succeeds in renting out the stand space to a third party, an administrative fee amounting to 25 % of the (proportional) participation fee for the space not used by the exhibitor is payable in accordance with clause 8.2 ATB.
Limitations for admission:	Please note clauses 3 and 11 ATB.
Marketing package / Trade Fair Media: (see clause 14 ATB)	The charge for the mandatory Marketing package for main and co-exhibitors is € 700,00 each plus VAT. This fee includes an entry in all of the trade fair and the Visitor Information System (contact details, social media icons, website, 2 digital product descriptions, 2 keyword assignments in online exhibitor directory, 1 entry category listing, 1 entry brand listing. In Print Visitor Guide: Company name, Hall / Booth) plus free visitor Wi-Fi. If exhibitors wish to have a more extensive entry, additional costs will be charged. The deadline for requesting an entry in the trade fair media (Visitor Guide) will be communicated by the responsible service partner or HMC in a timely fashion. Requests not received by the deadline will result in existing information from the event registration / acceptance data being used. Exhibitors registered / accepted after the deadline will be entered into digital trade fair media only; full charges apply. Feel free to direct any enquiries to the contacts named within the section for trade fair media of the Hamburg Messe Online Service Center (OSC).
Registration charge for co-exhibitors: (see clause 4.3. ATB)	Co-exhibitors must be notified to HMC in writing with indication of company name, address, and products/services. Please complete the separate registration form for this purpose. The charge for co-exhibitors is € 400,00 plus VAT per co-exhibitor and will be invoiced to the main exhibitor. The marketing package fee is € 700,00 plus VAT per co-exhibitor and will be invoiced to the main exhibitor.
Exhibition stand design:	Please note clause 7 ATB and Clause 5.7 of the Technical Regulations.
Stand boundary partitions:	Please note clause 7 ATB and Clause 5.7.6 of the Technical Regulations.
Two-floor exhibition stands: (see clause 5.9 Technical Regulations)	For two-floor exhibition stands, the space used on the upper floor will be charged at 50 % of the charge applicable for the ground floor. Two-floor exhibition stands are subject to approval (see Online Service Center (OSC) by the technical department of HMC.
Stand construction height:	Please note in your planning the regulations on construction heights, Technical Regulations Clause 5.3.
Stand roofing: (see clause 5.4.2 of the Technical Regulations)	Please note that roofing may impair the effect of the sprinkler system. It may then be necessary to install a sprinkler system on the stand itself.
Events held by exhibitors:	If an exhibitor wishes to conduct an event at his own exhibition stand after the daily opening times this must be applied for in writing. Respective forms can be found in the Online Service Center (OSC). The resulting costs for additional supervision and security staff will be charged to the exhibitor. Events are permissible up to 22:00 hours at the latest.
Audio presentations: (see clause 13 General Terms of Participation)	Please limit your volume to a level that is acceptable for your neighbours. Relevant indications are shown in Clause 6.12 and 5.7.7. of the Technical Regulations.
Exchange of exhibitor:	The transfer of the booked stand space is only possible by prior approval of HMC and signing a transfer agreement.
Exhibit protection:	Subject to a decision by the Federal Justice Ministry, HMC offers exhibitors a certificate for submission to the German Patent and Trade Mark Office that the exhibit to be protected (consumer/investment product, design/utility model) has been exhibited at H2EXPO & CONFERENCE. For further information see Online Service Center / approvals and applications.
